

DENVER HEALTH SCHOOL-BASED HEALTH™

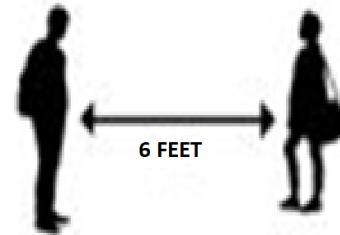

School-Based Health Centers are OPEN!

We are open to all DPS students for both in-person and telehealth appointments for both new and existing patients. Our health services are provided at NO COST to all DPS families!

For in-person appointments, we are taking every precaution to keep our clinics clean and patients safe.

Some of the services we provide are:

- Well child checks, immunizations, medication refills
- Answer any non-urgent medical questions
- Individual & Family therapy services
- Reproductive health services
- Assist families with obtaining insurance coverage
- Dental Care

Register now with our convenient eConsent link! Students under 18 must have a parent or guardian fill out the eConsent, students 18 and over can fill it out themselves. Once you have completed the eConsent, call or email us to setup an appointment.
